First Baptist Church

Code of Conduct

At First Baptist Church we have the responsibility to provide a safe and welcoming environment for all the children/youth entrusted in our care. Every child/youth is a gift from God and we view each child/youth as such. Our Church has implemented a “Children and Youth Ministry Policy” to provide protection to each child/youth, and it is necessary that all volunteers and staff working with children/youth meet the requirements of the policy. It is important that all persons involved with the children’s and youth programs of the Church understand the need to show respect and understanding for the safety and welfare of all persons involved in the children and youth ministries. The ministry is to be undertaken in a safe environment in which the volunteers are able to guide the children/youth into a deeper understand of God and His Word. To maintain a healthy and growing environment for the children/youth and our volunteers, First Baptist Church reserves the right to withdraw or adjust the programs to suit the needs of the children/youth and volunteers leaders.

“Train a child in the way he should go, and when he is old he will not turn from it.” Proverbs 22:6 NIV

Parents/Guardians are asked to discuss the following with their Children and Youth.

- Children & youth are to keep their hands to themselves.
- No physical abuse or violence will be tolerated.
- There will be no talking when a leader is talking.
- Children & youth will speak and act with love to each other.
- Children & youth shall show their leaders respect.
- Children & youth must follow and obey directions and stay with the group.
- Children & youth shall only take bathroom/drink breaks when allowed by leader.
- Children & youth shall keep electronic devices turned off and out of sight while participating in Church activities.

As Volunteers/Leaders of First Baptist Church Children/Youth programs, it is our goal to handle problems immediately, consistently and in a spirit of love and gentleness. Failure to follow the above list may result in:

- Verbal warning and/or a discussion with child/youth about the issue to ensure the child/youth understands why the behavior is inappropriate. This will be done quietly, minimizing embarrassment to the child/youth.
- Talking to parents/guardians when the child/youth is picked up.
- Calling parents/guardians after the group meeting or event to share the concern of the leader or volunteer.
- Calling parents/guardians during the group’s event to come in and remove the child/youth from the event.

If there is continual defiance or non-compliance we may:

- Ask to have a meeting between the parent(s), guardian (s), pastor(s) and volunteers to develop a plan for the individual child/youth that will effectively address the behavior issues to the satisfaction of all concerned.
 - We have access to counseling services, CAS, and other outside recourses to assist in the process as deemed necessary.
- Ask the parent/guardian to join the group and sit with the child/youth until the behavior issue is corrected.
- Ask that the child/youth be removed from the group for a few weeks. Removal will only take place after the program leader has first reviewed the matter with the Senior Pastor or his designate and it is their joint decision to effect such a removal.
- Withdraw the right to attend extra-curricular activities where ongoing issues/problems exist.
- After making all reasonable efforts to remedy the behavioral issue, the parents/guardians of the offending child/youth shall be instructed that the child/youth is to no longer attend the program or activity.

Children and Youth come here to learn about God and connect with each other. Behavior that hinders this will not be accepted. First Baptist Church has the authority and absolute discretion to determine who may or may not continue in the programs of First Baptist Church. We will make every effort to accommodate children/youth with special needs within the capacity of our programs and the abilities of our Volunteer Leaders/Helpers.

I acknowledge having read the Code of Conduct to which my child/youth is to comply and understand the procedures to be followed by the church and the resultant consequences if my child/youth fails to do so
